Mr. J. C. Collier

Dear Friend

Your message received several days ago, I wrote a reply the day following but as sometimes the message was missing. I hope to get this in the noon mail.
Am sorry I know so little to write you. Mr Jackson exchanged his bible with family record with Mr J. W. Blassingame for a smaller bible and failed to copy the record. After Mr Blassingames death I went to his daughter (Mrs Pearce) to get the record, but she said she knew nothing of the

bible or record, could not give any information, Had not thought of keep-
-ing the bible, did not know who had it.
Your Sister had three children who died in infancy. Dont Know that they were ever named. Were burried in Peidmont Cemetary. Oliver was 64 years old but the date of month I cant remem-
-ber it has been so long since I saw the record. Its painful to me to realize the indifferance of people about their family record. I'm tried to impress this on the minds of my children.
Spend my winters in Fla. Have children grand children, great grand children, in-
-laws, nephews, neices, and many friends, in Fla hense am at home in the state of sunshine flowers and sand.
Love to your mother. regards to your wife and children Very truly Mrs. L. V. Jackson
